

ACTIVITY LEAFLET

“All God's creation is very good!”

COLOUR THE FLAG:

Stripes of green, white, red, white, green with a yellow star

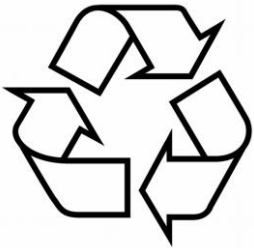

Water is essential for life on earth.

There is no such thing as new water. The rain falling today is the same as the rain that fell on dinosaurs!

DO YOU KNOW?

1. What are the 3 forms water can take?
2. What % of the earth's surface is covered by water? 55% 75% 85%
3. How long can a person live without food? 1, 2, 3, 4, 5 weeks
4. How long can a person live without water? 1, 2, 3, 4, 5 weeks
5. How much of the world's water is fit to drink? 1% 5% 10% 20%

- You use from 114 to 227 litres of water to take a shower
- You use 9 litres of water to brush your teeth
- You use from 9 to 32 litres of water to flush the toilet

CAN YOU?

- Try not to waste food
- Say 'thank you' for the food you eat
- Recycle or re-use things as often as possible
- Look for fairtrade goods at local supermarkets
- Buy food and other goods with the fairtrade label

How can you, your family and friends help save water?

Turn the water off while you brush your teeth!

In and out of the shower in 5 minutes saves water!

Answers to the questions are on the Leader's Notes!

Play the environmental game! You can download it, an A4 copy of the word search and other ideas, from the website www.wdpscotland.org.uk
