

Group Activity: All God's Creation is Very Good!

How many environmentally-friendly habits are evident among us?

Find a different person who can truthfully sign each box...!

Has picked litter as an individual or taken part in an organised litter pickup.	Recycles aluminium cans, tin cans and glass bottles.	Has never bought a plastic carrier bag since the 5p cost came in.	Belongs to an environmental organisation.
Has a compost bin at home.	Buys fairly traded goods whenever possible.	Has upcycled one or more items for their home.	Travels by public transport more often than by car.
Recycles paper and buys only recycled paper.	Has low energy lightbulbs at home and uses rechargeable batteries.	Has put a stop to receiving unwanted junk mail.	Knows what their carbon footprint is and is trying to reduce it.
Grows their own fruit or vegetables.	Eats organic fruit and vegetables whenever possible.	Often donates to and buys from charity shops.	Has never dropped litter!
