Cultural evening

Our Prayer partners

This was a chance to meet our friends in Europe and especially to talk with our Prayer partners from Croatia and Hungary. We have set up a “Whats App Group” to enable closer contact. Every morning and evening there was Worship led by a different group each time. Activities were many and varied including a prayer walk, a visit to a concentration camp, workshops and conference sessions. There were 2 bible studies, based on the theme from Zimbabwe which were stimulating and thought provoking.
