Activity Sheet 3

Look at the pictures on the next page. The first picture shows Jesus telling a story to his disciples. The second picture shows the last part of the story he is telling. Listen as the story is read to you. Here are some things to do and talk about next...

Fill in the speech bubble for Jesus as he tells his story, and the thought bubbles for the disciples as they listen. Use your imagination to show in your own words what they might have been saying and thinking.

What do you think the two house builders would say to each other after the storm? Fill in their speech bubbles!

Have you ever been warned not to do something foolish? When have you been encouraged to behave wisely? Tell each other your own stories about being wise and foolish.

What do you learn from Jesus' story? Put your own thoughts or a drawing in this big bubble... you could draw a picture of yourself beside the bubble too, if you wish!
